

Key Club District Convention 2016

We survived!

Darroll Clark, Stephanie Blotzer, and Deann Irish chaperoned 20 of our own Key Clubbers and 2 from South Kitsap at this year's district convention. We also had both the Outgoing Lt. Governor, Tiana Herring and the Incoming Lt. Governor, Daniel Smith who were constantly roaming around and very busy helping to put on an amazing convention. Everything went smoothly from the transportation from the high school (Thank you to Bud Cole, Patti Peterson, and Bev Luckey-Short!) to catching the ferry home on Sunday. We had sunny and dry days, a great hotel, lots of pizza delivered (teenagers are always hungry. Always!) and a couple of late nights. We all met and made new friends and became reenergized for more service! Thank you to the Bremerton Kiwanis who supports us so well and helps to improve our lives in leadership, service, and showing new ways to care for others!
