This is a new fundraiser for our club and I am excited to see what our creative members can do to set our wagon apart and win us some money. We have already won \$500.00 by just being selected to participate and we have the potential of winning \$3,000.00. We have been given a wagon and some marketing material and of course the rules. Put your thinking caps on let us come up with the best Mardi Gras Kiwanis party ever. ~ Beverley

Family Food Baskets

In October we provided one Food Basket to a family of 4, 2 adults and 2 children. This month we will be providing at least 2 baskets. This is very easy project and it is very well received by the families served. Thank you to Patti and her dedicated staff for assisting with this project. If you have any input on this project or would like to help please contact Bev.

Success Project

This year our Club has started a service project serving the students who attend the Olympic Educational Service District Success Program. The schools that will be served are Armin Jahr, View Ridge and West Hills. Each month we will be leading the students in a service project. The time available to complete these projects is limited so the preparation for the projects will be done by the Key Club. We have had a positive response from the Key Club and are looking forward to these fun events. ~ Beverley

Club Satellite

The October Club Satellite meeting was held at the home of Darroll and Judy Clark. Deann, Justin, Bev and Darroll were present. We discussed the Success Project and how we are going to work with the Key Club and provide quality service projects with their help. We are in the planning stage for communication with Lions, Bremerton and East Bremerton Rotary Clubs to put on the Bike Rodeo. Our next meeting will be at Bev's House on Dec 9th at 7 PM. Come hungry. Feel free to attend but please drop me an email so I have enough goodies ready. The more the merrier.

Hint: Service, Social activity and meetings

A special board meeting was held October 29, 2015 at the Admiral Theater after our regular membership meeting.

Members present included Sunny Wheeler, Tim Lavin, Bill Enger, Rob Schneider, Darroll Clark and Bob Morgan. Ron Van Hollebeke attended as a guest.

The purpose of the meeting was to finalize the 2015-2016 budget for our club. Rob suggested we transfer \$500 from the Project Account to the Administrative Account for the approximate cost of the D&O and General Liability Insurance. He further recommended \$500 be removed from the Project Account Budget - Donations/Contributions - Community/Youth Programs for a net amount of \$4,700. After discussion these adjustments to the budget were approved.
