Bremerton High Key Club

The Key Clubbers were grateful for Beverley for bringing soda and pizza as Bremerton High's Key Clubber DD (Daniel) Smith, Lt. Governor Division 19/36, presented a wonderful training via PowerPoint to 24 Key Club officers of his Division in the conference room of the United Way building on August 29th. He presented a background of where our Division fits into the Pacific Northwest District as well as the International Kiwanis. He touched on the scope and size of Key Clubs worldwide.

Then he covered all the aspects of the different executive duties and suggestions on what makes good leadership. For the secretaries, he even went line by line in filling out secretary's report. It is noteworthy that two of the Bremerton High Key Clubbers' favorite memory was working at the Blackberry Festival. Choosing this as a favorite memory is truly surprising considering they had attended DCON.
